what makes Sew Much More

AUSTIN'S FAVORITE SEWING STORE?

OUR EXPERIENCE AND PERSONAL SERVICE SET US APART.

Sew Much More owners Ron and Barbara Goldkorn have watched/helped the sewing industry evolve for decades. Talk with a trained team whose only job is to know and love sewing machines and sergers. Our business is sewing – and only sewing!

WOULD YOU RATHER BUY FROM A SEWING ENTHUSIAST OR A MASS RETAILER?

At Sew Much More you get unique perspectives from people who sew on BERNINAs and Baby Locks every day. Our sewing experts receive extensive training so they can show you the capabilities of each machine and a perfect match for YOUR needs.

BUY ENOUGH, BUT NOT TOO MUCH.

You look for value in a sewing machine—enough machine to make it easier, faster and more fun to do the type of sewing you enjoy, but not a lot of features you'll never use. Our sewing experts help you find that fine line between Enough and Too Much. We identify your current skills and plans for the future, then pair you with a machine you won't outgrow in six months, but that doesn't outpace your budget or sewing style. We offer everything from entry-level to state-of-the-art sewing machines, quilting machines and sergers, so we can find the best fit for you.

WE MAKE SURE IT'S RIGHT.

Our commitment to quality is unequalled. We check every new machine to make sure it arrived in great sewing condition, ready for you to take home. When you take delivery of your new pride and joy, we sit down with you and go through the basics of how to thread and operate it. We want you to feel comfortable with your machine right from the start.

WE'RE COMMITTED TO A LIFETIME OF LEARNING.

ONE-ON-ONE TRAINING When you buy a new machine at Sew Much More you get unlimited free one-on-one training sessions. You also have a host of experts a phone call away for a quick question or refresher on a feature you don't often use. We're here for you as long as you own your machine!

CLASSES We offer an exciting array of hands-on group classes with expert, patient instructors. Whether you love quilting, machine embroidery, serging or just plain sewing, we have classes you'll want to enjoy.

NOTIONS AND SEWING AIDS

An outstanding selection of everything you need to make your projects turn out just right.

FRESH FABRICS EVERY DAY

Great machines demand great fabrics. And we have them! Barbara uses her great eye for design, color, and quality to stock our boutique with a huge selection of 100% cotton fabrics to complement any project. We choose fabrics from only the best textile houses such as Bernartex, Henry Glass, and Moda. New fabrics arrive daily so you can always find something fresh for your creative projects.

TOTAL IN-HOUSE SERVICE

ANY BRAND We have the know-how and parts to get your machine working—all brands and any age.

LOANERS If you're in the middle of a project (we get sewing addicts!), we can loan you a machine while our factory-trained technicians painstakingly work on yours.
